Statement of demands and needs

Vetsmedicover Lifetime Pet Insurance is an annual policy for cat and dog owners. Each **period of insurance you** can claim for the cost of **treatments** that are covered by this **policy** until the **vet fees** limit is reached. If **we** offer to cover **your pet** at renewal, and **you** accept by agreeing to pay the **premiums**, **your vet fees** limit will be reinstated, and **treatment** payments can continue to be paid for a further **period of insurance**.

In each **period of insurance**, **you** can submit any number of claims for each **condition your pet** may suffer from, however, the **policy** limits will be applicable.

As Lifetime cover provides cover for all **conditions** over the life of **your pet**, **you** must be able to afford to pay the yearly **premiums** which will increase at renewal based on the age of **your pet**, your location, claims history and other costs such as enhancements to and inflation costs for **veterinary treatments**.

For example: The cost of insuring a **pet** (based on pricing inflation in 2022) up to the age of five increases on average by 10% per annum. This rises to around 20% by the time a **pet** reaches the age of ten and due to the increasing risk of covering a **pet** over this age, the annual increase can rise to 35% or more by the time a **pet** reaches fifteen.

On top of the increase in premiums, there are additional fixed and/or percentage **excess** payments that **you** will need to pay towards the cost of any claim. **You** must also consider in each **period of insurance** additional costs may also be applied to cover unexpected increases in costs to **us** as well as the changes to the costs charged by **vets**.

Contract of insurance

In consideration for **you** paying the **premium** and the insurance premium tax, **we** will provide the insurance cover described in the **Policy** during the **period of insurance** subject to the **Policy terms**, conditions and **exclusions**.

Enterprise Act

If **you** make a claim under this insurance contract, **we**, the Insurer, **will** pay any sums due in respect of **your** claim within a reasonable time. A reasonable time includes allowing **us** a reasonable time to investigate and assess the claim, the period for which may vary according to the complexity of **your** claim

If the first attempt to collect **your premium instalment** is unsuccessful, the **Policy administrator** will attempt to collect this again. If the second attempt to collect the **premium instalment** is also unsuccessful, **you** will be in full default.
